L Anantasamy Rao Esquire B A
Secretary to the Government of Mysore
Municipal Department

I have the honour to state that the temple of Sri Subramanya Swamy at Melige in the Shirthalli is endowed with lands (both Inam and Sirkar) situated the villages of Melige, Nambala, Kela Kere and adagar in the Shirthalli Taluk, bearing an assessment of 440-8-0 with a jodi of Rs 221-13-0 as shown in the enclosed Statement. The income from the lands reported to amount to Rs 500/- per year. The gardens at Kelakere are said to be in the possession and enjoyment of Bhista Bhatta who says that the lands have been permanently leased to him by Hoogere Monegendrappa whom the right of cultivation of these lands had been assigned by Kumbivalli Annaya and Venkatayya who cultivating them on behalf of the temple. The wet lands in the said village and the lands of the others are at present in the possession and enjoyment of Manjabhatta who inherited it from his uncle Sinnasabhatta (since deceased) who was looking after affairs of the temple after the death of Shanbogue Subrahmanyah

Besides the land endowments above mentioned, Sivangi Ramanna Gowda collects 2 or 3 mannus of [illegible] from the ryots of Monthur Hobli and the value this contribution is paid to the Kalavatdar of the temple temple purposes.

On the enclosed record, it will be seen that neither Bhatta nor Shanbogue Thimmappa has

kept any account of the receipt and expenditure of the produce of the lands belonging to the temple. There is no written authority by which Srinivasabhatta became entitled to hold these lands. No order either from the Taluk or District office in the matter is forthcoming. Besides no accounts have been furnished by him though ample time was given him for the purpose.

4. As regards the lands in the possession of Bhishta Bhatta, the Amildar states that though Bhishta Bhatta was repeatedly asked to produce the documents in his possession, he did not do so and that it is not known what he pays to the temple.

5. It is thus evident that, practically Bhishta Bhatta and Ananjabhatta enjoy the benefits of the land endowments of the temple. Under these circumstances and agreeing with the Amildar, I beg to recommend that the lands shown in the accompanying list may be taken over under Government management and proper arrangements made for the performance of the services in the temple.

I have the honour to be,
Sir,
Your most obedient Servant
